Part A (Continued) - INMATE REQUEST

And 2 mins. later Sgt. G. Wynkoop comes charging to the Grill yelling at me to "Hang the Phone up slow" I then stated "that I have only a few mins left." ~~Sgt. Wynkoop~~ Then reaches through the grill in a very aggressive threatening manner with his left hand up near my face, and any normal reaction would be to protect oneself when a hand is coming to your face in which I did by just blocking his forward progress with my right hand not knowing his reasons for reaching through the grill other than to bring me bodily harm. Sgt. Wynkoop then grabs hold onto my left hand in which the phone was being held and began to twist my wrist trying to get the phone free. I then pulled my arm free and he cont. to reach around the wall and hang the phone up with his hand while still having his arm through the grill. 2T Smith then opened the grill and asked me to "step off the tier" in which I did. At this time Sgt. Wynkoop is still yelling at me in a very aggressive manner and pointing his finger in my face and stated that since I did not get off the phone when asked that I would lose my phone privilege for the rest of the week. I then ask "that he please do not point his finger in my face" at which time he points his finger again and 2T Smith asked me to get against the wall and place cuffs on me. At no time did I resist.

I would like to place charges against Sgt. G. Wynkoop for assault

let me also state for the record that I am Bipolar and suffer from a bad case of paranoia and by Sgt. Wynkoop reaching through the grill towards my face I thought he was going to bring me bodily harm. I take meds for my conditions you can check my medical records once again I want to press charges on Sgt. ~~Wynkoop~~ Wynkoop for assault.
